Code Reviewer/Technical Support Engineer   January 2020 – December 2020
Microverse, Remote

- Proposed improvements to code organization to improve code quality and overall performance.
- Mentored junior web developers, providing technical support through code reviews.
- Provided support to junior web developers through professional assistance platforms such as Zoom and Slack as they needed extra support during projects.

EDUCATION

MICROVERSE   January 2020 – December 2020
Full-Stack Web Development Program, Full Time

- Spent 1300+ hours mastering algorithms, data structures, and full-stack development while simultaneously developing projects with Ruby, Rails, JavaScript, React, and Redux.

- Developed skills in remote pair-programming using GitHub, industry-standard GitFlow, and daily standups to communicate and collaborate with international remote developers.
